Vendor Village At 2024 Tour de Plantersville

Interested in selling your products, crafts and promoting your nonprofit at a unique, ecotourism event? The Village Group is now seeking vendors for the Vendor Village at the 2024 Tour de Plantersville and Cultural Festival.

In the Spring of 2018, Tour de Plantersville, a unique cycling event was launched in the Plantersville community of Georgetown County, SC, to bring people together through the history, habitat, health and harmony experience along the Plantersville Scenic Byway and beyond.

Bicyclists from near and far participated in the event, which was well attended by residents and visitors. To build upon its successful launch, Tour de Plantersville expanded its activities with the Cultural Festival to relax at and enjoy Reggae music, unique food trucks, children's activities and a Vendor Village featuring local and regional, hand-made crafts.

This is a unique opportunity to increase product, artwork sales and expose your nonprofit organization to a growing audience. Reserve your spot now with a completed application.
